The Regional Center is switching all Parent Vendor Day Care service to Agency Day Care. Manos Home Care is a certified vendor for both Employer of Record Day Care and Full Service Day Care. Some families already have Respite Care through Manos. Manos Home Care can help regardless of your situation:

You already have Respite Care with Manos and your respite worker will provide Day Care. You don't need another worker

Call Manos and tell us that your worker will be providing day care. Make sure your case manager knows you will be using Manos.

You have Respite Care with us, but have another worker to sign up for Day Care.

Call Manos and tell us that your new worker will be providing day care. Make sure your case manager knows you will be using Manos. Request an employment packet by mail, email, or visit our office in Oakland. Your new worker must

1. Fill out an application
2. Call to schedule or walk-in to a Live Scan location for criminal background check.

Once the worker's criminal background is cleared, Manos can proceed with the hiring process.

If you want your current worker to provide day care too, just tell Manos.

You have Respite Care with us, but need another worker and can't find one.

Call Manos. We will work with you and your case manager to see if you qualify for Full Service Day Care. With Full Service Day Care, we will help find a worker that will fit your schedule.

You don't have a Respite or Day Care worker, and you need Manos to find a worker for you.

Call Manos. We will work with you and your case manager to see if you qualify for Full Service Respite and Day Care. With our Full Service Program, we will find a worker that will fit your schedule.

You have a worker, but you need backup in case the worker can't cover a shift, is sick, or needs to take time off.

Call Manos. We will work with you and your case manager to see if you qualify for Full Service Respite and Day Care. With our Full Service Program, you we will find a worker that will fit your schedule.
